Annamalai University

Established in 1929, Annamalai University, accredited with 'A' Grade by NAAC in 2014 is one of India's largest public residential universities with 10 Faculties and 50 departments of study. Annamalai University is one of the first institutions in the country to offer courses in Engineering and Technology. The University has initiated several innovative teaching programmes over the years and has been a pioneer in distance education. Annamalai University has a commendable track record in projects and publications and has been awarded the PURSE Programme by the Department of Science and Technology. Nineteen departments are supported by UGC-SAP, Sixteen by DST-FIST and two departments have attained the status of Centre of Advanced Study. The University has been rated Seventeenth in the country among the Top 100 institutions of Higher Education and Second in the State by SCImago Institutional Ratings. Annamalai University has joint research and innovation partnerships with 24 institutions across the USA, Europe, Australia, Japan, and the UK. The list of partners includes prestigious institutes like Karolinska Institute, Johns Hopkins University, and University of Michigan amongst others. Two of the most notable international collaborations in which Annamalai University is the Co-ordinating Institute include the Indo-EU FUNCFOOD Project and the 21st Century Indo-US Knowledge Initiative. There are several ongoing research projects with international foundations and industrial players like Bayer, CavinKare, Dow Agrosiences, Bill & Melinda Gates Foundation, HCL, L&T, Accenture, and Huawei.

The University Library, named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, serves as knowledge hub for the students and the staff. Quite a good number of journals can be accessed through the In-fonet facility. Science Direct is subscribed through which 340 journals can be accessed.

The sports complex of the University, spread over several acres, houses facilities for sports and games. Tennis court complex, basketball complex, volleyball complex, athletic standard track, cricket field & nets, football field, hockey field and a wooden floored indoor stadium are a few worth mentioning.

I. Faculty of Engineering & Technology

With the objective and a dynamic vision to support contemporary Engineering, the Faculty of Engineering and Technology (FEAT) was established in the year 1945, as the Second Engineering College of the then composite Madras State.

The FEAT proudly celebrated its Golden Jubilee in the year 1996 and Diamond Jubilee in the year 2005.

The FEAT has ten departments of study namely Civil, Civil & Structural, Mechanical, Manufacturing, Electrical, Electronics & Instrumentation, Chemical Engineering, Computer Science & Engineering, Electronics and Communication, and Pharmacy.

Activities in FEAT

- Academic programmes leading to the award of Bachelor, Master, and Doctoral degrees along with Diploma and Certificate Programmes in selected fields.
- Research programmes for Students, Faculty, and Professionals
- Special programmes, conferences, seminars, short term programmes, and consultancy services.
- Collaborative research programmes in co-ordination with government /non-governmental organizations.
- Extension services

Important MoUs

The Faculty of Engineering has entered into MoU with:

- Tennessee Technological University, (TTU), USA to enable academic exchange of the staff and students between Annamalai University and TTU under the Indo-US, Knowledge Initiative Award from University Grants Commission, New Delhi
- Ball State University of USA
- Fukui University of Japan to enable the academic exchange of the Staff and Students between Annamalai University and the Fukui University
- University of Technology, Sydney, Australia, for promotion of technical collaborations
- Kumamoto University, Japan for Collaboration in the area of "Materials Processing using Explosives" to promote academic exchanges
- National Institute for Interdisciplinary Science & Technology, (NIIST) Kerala for Collaborative research in 'Light Alloys'
- The Department of Civil and Structural Engineering, FEAT has entered into a MoU with CSIR, Structural Engineering

- Research Centre (SERC) for Collaborative Research in the field of Structural Engineering
- The Department of Manufacturing Engineering has signed MoU with Kumamoto University, Japan and National Institute of Interdisciplinary Science & Tech. (CSIR) – (NIIST) for Collaborative Research in Materials Processing

Placement and Training Cell

Salient features of the Activities in Placement & Training Cell, Faculty of Engineering and Technology, Annamalai University.

- Training programmes on soft skills
- Arranging In-Plant training for students
- Student's placements through campus interview
- Placements abroad

65% of the eligible students are recruited on an average since 2004.

Companies that offered placements for the students of Faculty of Engineering and Technology, Annamalai University through the Placement & Training Cell are:

Indian Organizations:

- M/s. HCL Technologies, Chennai
- M/s. L & T – ECC, Chennai
- M/s. Accenture, Bangalore

- M/s. Promosys

Duration of the Programme

The duration of all the courses offered is four academic years comprising of eight semesters.

Branches of Study

The following programmes are offered by Faculty of Engineering & Technology, Annamalai University.

No.	Branch	Intake of Students
1.	Civil Engineering	60
2.	Civil and Structural Engineering	60
3.	Mechanical Engineering	120
4.	Mechanical Engineering (Manufacturing)	120
5.	Electrical and Electronics Engineering	120
6.	Electronics and Communication Engineering	60
7.	Electronics and Instrumentation Engineering	120
8.	Chemical Engineering	120
9.	Computer Science and Engineering	120
10.	Information Technology	120

Choice Based Credit System (CBCS)

From the academic year 2000-2001, Choice Based Credit System is in vogue in the Faculty for all Under-graduate and Post-graduate programmes. These programmes offer a package of certain core courses and some elective courses that allow for effective interaction among students from different disciplines. The novelty of the programme consists of inter-disciplinary curriculum with a pronounced inclination towards industry oriented needs.

- (iv) Good control over bladder & bowel
- (v) Disease must be non progressive.

b) Norms for Hearing Disability

Candidates with hearing ability of 40 db and above only in the better ear with speech discrimination score of 50% and above are considered disabled and hence eligible for claiming Admissions against Differently Abled Persons category (**Annexure-II**).

c) Norms for Vision Impairment

Candidates with low vision of 40% and above are considered as disabled, and hence eligible for claiming Admission against Differently Abled Persons category (**Annexure-III**). Low Vision: Person with low vision means a person with impairment of vision of less than 6/18 to 6/60 with best correction in the better eye or impairment of field in any one of the following categories:

- i) Reduction of fields less than 50 degrees
- ii) Heminaopia with macular involvement
- iii) Attitudinal defect involving lower fields categories of Visual Disability all with correction

Note: F.C. means Finger Count

* ONE EYED persons with normal vision are not considered as disabled.

VII. Mode of Selection

7.1 Admission to General Category

The selection of candidates will be based on the marks obtained in the prescribed subjects reduced to 200 (Mathematics - 100; Physics + Chemistry - 100) in the qualifying examination.

Category	Better eye	Worse eye	Impairment
Category O	6/9 - 6/18	6/24 to 6/36	20%
Category I	6/16 - 6/36	6/20 to Nil	40%
Category II	6/40 - 4/60 or field of vision 10°-20°	3/60 to Nil	75%
Category III	3/60 - 1/60 or field of vision 10°	F.C at 1 ft. to Nil	100%
Category IV	F.C at 1 ft. to Nil or field of vision 10°	F.C at 1 ft. to Nil	100%
One eyed persons *	6/6	F.C at 1 ft. to Nil or field of vision 10°	30%

7.2 Normalisation of Marks and Inter-se Merit

As per Tamil Nadu Acts No. 3 of 2007, dt: 05.03.2007 and G.O. (Ms) No. 77 HE (J2) Dept, dt: 05.04.2007, the marks obtained by the students in the relevant subjects in the qualifying examination conducted by various Boards or Authority shall be equated with the marks obtained by the students in the same subjects in the qualifying examination conducted by the State Board of Tamil Nadu by adopting the method of normalisation.

Illustration: If the highest mark secured by the student of State Board of Tamil Nadu in Physics is 100 and the highest marks secured by a student of any other Board in the same subject is 90, both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, 60 marks will be considered to be equal to 66.66 marks as arrived below.

$$\frac{100 \times 60}{90} = 66.66\%$$

- i. After normalisation of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students shall be merged into a common merit list.
- ii. In the case of candidates who have qualified from National Boards such as CBSE, ISCE etc. the highest mark obtained in the relevant subject by the candidates at the National Level alone will be taken into consideration for normalization.
- iii. The Other Boards will be requested to furnish the maximum marks scored in the relevant subjects. In case, such marks are not available before the preparation of rank, the maximum marks scored in that Board will be considered as 100%.
- iv. For minimum eligibility, normalized marks will be considered.
- v. A merit list will be prepared based on the total marks out of 200. In cases where more than one candidate have got the same marks in the common merit list, the inter-se merit among such candidates shall be determined in the order of priority as specified below.
 - (1) Percentage of marks in Mathematics
 - (2) Percentage of marks in Physics
 - (3) Percentage of marks in the fourth optional subject
 - (4) Date of Birth (elder will be given preference)
 - (5) Random number assigned (higher value will be given preference).

The overall rank and community wise rank lists will be published on the website of Annamalai University <http://www.annamalaiuniversity.ac.in>. No separate announcement will be made in the Newspapers. The candidates will also be informed of their rank individually by post through the counselling call letter.

7.3 Admission to Special Reservation Categories

Candidates who are applying for the special reservation categories of seats should satisfy the rules stipulated for admission. Allocation of these Special Reservation seats will be followed as per horizontal reservation.

If vacancy arises it will be reverted to the general counselling in the respective communities.

7.4 Admission to Candidates from Vocational Stream (HSC Vocational)

In total 20 seats have been set apart for the candidates from HSC (Vocational Stream). Counselling will be conducted for the candidates from HSC (Vocational Stream) separately.

Candidates will be called for Counselling in the order of merit following the rule of reservation.

VIII. Counselling Procedure

i. Counselling will be held at the Administrative Office, Annamalai University, Annamalainagar, Chidambaram.

ii. Counselling Schedule will be available on the website. Candidates will be called for counselling in the order of their merit.

iii. Counselling for the special category will be held before the general counselling.

iv. **Counselling Fee:** Candidates have to pay a Counselling fee of Rs. 2000/- (Rs. 500/- for SC/SCA/ST Candidates) by cash or DD in favour of "The Registrar, Annamalai University" payable at Chennai at the time of counselling. The counselling fee is not refundable.

v. Option once exercised during counselling will be final and cannot be changed.

vi. Candidates who fail to attend the counselling at the specified date and time in a particular phase of counselling will forfeit their right to admission on that phase.

vii. Eligible candidates who have applied may appear for counselling according to their merit list, one hour before the counselling session along with their original certificates for verification, irrespective of receipt of individual communication.

viii. The date, time and venue for counselling will be intimated to the candidates, through Annamalai University website. No change of date/time of counselling is permissible. University authorities are not responsible for any postal delay; or non receipt of intimation for counselling. Candidates who do not attend counselling will forego the claim for admission.

ix. Due to unforeseen reasons, if a candidate could not attend the Counselling on the specified date and time, he/she can authorize his/her parent on his/her behalf and the parent's decision will be binding on the candidate. The authorization letter must be in the prescribed format. **(Annexure-V(a) & V(b)).**

x. If a candidate could not attend the counselling on the specified date and time, he/she can attend on a subsequent time/date, during the counselling period. But the candidate will be offered a seat only if it is available, at the time in the respective category. **However such candidates cannot claim a seat as per original seniority in the merit list.**

xi. After allotment of all seats in various categories the applicants, who have paid the requisite counselling fee but did not get admission will be placed in the waiting list in the order of their merit and in case vacancies arise at a later stage, due to non-joining of selected candidates or for any other reasons they will be admitted in the order of merit by following the rule of reservation.

xii. If ranking of a candidate is changed due to re-totalling/revaluation of mark, he/she can attend counselling as per the new mark and rank, though the call letter specifies different date (as per original mark).

Department of Civil Engineering

Civil Engineering was established initially as part of the Department of Engineering and Technology in the year 1945 and later formed as Department of Civil Engineering in the year 1978.

The Department attained UGC-SAP DRS Level-I status for the period 2009 to 2014 with a total financial assistance of 66.00 lakhs for strengthening of infrastructure and for promoting research. Further the Department has been duly recommended by the Expert Committee for DRS Level-II for the period 2014-2019 with a financial assistance to the tune of Rs. 100 lakhs.

The Department has a number of ongoing research projects from various funding agencies in the thrust areas of Environmental Engineering and Water Resources Engineering and Management about 40 doctoral degrees have been awarded in the Department.

The Centre for Environment, Health and Safety (CEHS), an integral part of Department of Civil Engineering, is accredited as EIA consultant by QCI under NABET scheme for MoEF for several industrial sectors. The Centre has completed Industrial Consultancy works about Rs. 52 lakhs and also pursuing work for about 315 lakhs.

The Department has successively entered into collaborative research programs with IGCAR, Kalpakkam and also students exchange programme with Fukii University, Japan.

The Department contributes to the interdisciplinary academic and research activity of the Institute.

Department of Civil & Structural Engineering

Established in the year 1978

DST-FIST Sponsored Department through which the department got a funding of Rs. 110 lakhs.

MoU with CSIR-Structural Engineering Research Centre, Chennai for collaborative Research. Through this wind speed monitoring tower with anemometers was established at a cost of Rs. 10 lakhs at Faculty of Marine Science, Parangipettai.

The Department is pioneer in introducing new PG Programmes. The Department introduced M.E Structural Engineering in the year 1953 and M.E. Disaster Management and Engineering in the year 2007 first time in the country.

The department has a large test floor facility which is a unique facility with which one can conduct any type of structural testing in the laboratory. The department has the largest steam curing chambers among the educational institutions, with which one can prepare large concrete specimens for testing.

The department and the university is the 3rd institution in South India to introduce Earthquake Engineering laboratory in the undergraduate curriculum.

The department has accessed funds to the tune of Rs. 4.0 Crores from various funding agencies like UGC, DST, AICTE, Ministry of Agriculture, TNSCST, etc.

The department has developed new and innovative materials for construction, viz: Paddy husk Cement (1982) and Geopolymer Concrete (2013).

An active Institute - Industry interaction has been established through consultancy to Government and Private Organisation.

Department of Mechanical Engineering

Started functioning as a section in July 1945, the Department of Mechanical Engineering attained the status of a separate department in the Faculty of Engineering and Technology in July 1978. Since its inception the department has grown in leaps and bounds

The department is well equipped, thanks to the various funding agencies. In particular the department is recognized as a DST-FIST (level-1) Sponsored Department by the Department of Science and Technology, Government of India.

There are eleven laboratories attached to the Department of Mechanical Engineering to give effective and sufficient practical training at the campus. The students also undergo practical training at other departments.

With National Institute of Interdisciplinary Science and Technology (NIIST, Kerala) for collaborative research on “Magnesium and Light Alloys” (2009).

With M/s. Mailam Industries Pvt. Ltd. Pondicherry for collaborative research in “Materials Joining” by the way of Sponsorship of 3 Ph. D candidates (2011).

M/s. VB Ceramic Consultants. Chennai for collaborative research in Nano Materials Technology by way of Sponsorship of 1 full-time Ph.D. candidate. VB CERAMIC RESEARCH FELLOWSHIP (VBCRF) Date of Signing of MoU: 12th October 2015.

Consultancy

Advanced materials such as MMCs, magnesium alloys fabricated by RRL-Thiruvananthapuram, HAL-Bangalore, CVRDE-Chennai have been tested extensively in our Laboratories, to further research collaborations.

The facilities available with the department like specialized welding process equipments, dynamic testing machine and other testing facilities and metallographic and software facilities are being used for academic collaborations by academic institutions that include Department of Metallurgical & Materials Engineering, Indian Institute of Technology-Chennai, Anna University, Guindy-Chennai, National Institute of Technology-Tiruchirappalli, Pondicherry Engineering College-Pondicherry and many other Engineering colleges in Tamil Nadu.

Department of Chemical Engineering

The Department of Chemical Engineering, a DST –FIST sponsored department, was started in the year 1945. It was the second college to offer an undergraduate programme in Chemical Engineering in Tamilnadu. Total outlay of the funding attracted by the department from various funding agencies is 341.51 Lakhs. All the laboratories are well equipped with most modern equipment. The department offers consultancies to various leading industries.

The first PhD of the Faculty of Engineering and Technology is from this department and has thus far produced 78 Ph.Ds . The department offers 12 programmes through Distance Education. It has an excellent industrial tie up.

The department boasts an unparalleled support from its Alumni.

Placements

As a part of their regular classes, a time slot is dedicated for making the students employable by imparting training to hone their technical and soft skills. This helps the students immensely when they attend interviews.

Student Activities

The co-curricular and extra curricular activities are carried out under the aegis of a vibrant body, the Technology Association. The activities include Inter Chemical Engineering Seminar InChES, an annual event which attracts students from across the country. Literary and Cultural events are organised periodically. The department also happens to be the regional centre of the Indian Institute of Chemical Engineers, IChE, the apex professional body for Chemical Engineering in the country.

Alumni

The department enjoys an unstinted support from the alumni. The support is translated by the generous contribution of alumni in the form of books, smart classrooms, lab equipment and teaching aides. The alumni also have created endowments through which they organize lectures. They support the department by recruiting the students.

Extension Activities

The department has a NSS unit which provides opportunities for the students to be a part of it and serve the society. As a part of Institutional Corporate Responsibility, the department promotes awareness on safety to the school children and community by organizing demonstrations and rallies. National Environment Awareness Campaign is conducted in collaboration with M.S.Swaminathan Research Foundation for the school children and the university students.

Department of Computer Science & Engineering

The Department of Computer Science and Engineering was established in the year 1984 to meet the demand for well-qualified computer professionals.

Flexible Choice based Credit System

Student Centric Teaching Methodology is adopted.

The various Associations and Clubs promote the leadership and organisational skills of the students by conducting various academic events throughout the year. Apart from academics, students also involve themselves in activities that inculcate service and team spirit.

The department library has more than 7500 books. In addition, it also has E-resources to access Journals / Magazines with Internet facilities.

The department houses more than 500 high end computers to meet the requirements of various laboratories. In addition, it has other equipment such as Fibre Optic Trainer Kit , HP Server E/C -1, Xeon Server, Wep-Printronix Line Printer, IBM AIX Server

The department has highly qualified and experienced faculty members from well-known institutes and universities out of which 2 have completed their post-doctoral research.

Laboratory Facilities

Totally there are 16 laboratories in the department to provide practical knowledge to the students. Apart from programming labs, there are five specialized labs such as Network, DBMS, Computer Graphics, Web Technology lab and a Research lab.

Operating Systems Lab

Visual Programming Lab

Library Facilities

Apart from the University main library and the general faculty library, there is a departmental library for the benefit of students, faculties and researchers of the department. The Library has more than

7500 books covering various areas of Computer Science and Engineering. In addition, it also has E-resources to access Journals/Magazines with Internet facilities.

Placement Cell

The department placement cell offers assistance to the students in securing good placements by conducting training programs / Technical talks from Industrial Experts. Frequently Asked Questions for core subjects of Computer Science and Engineering has been prepared and published in student portal, and motivation classes, technical guidance, soft skills development, on-line tests, mock interviews, group discussions are conducted periodically. The Placement Cell has successfully placed more than 300 students in various companies.

Associations and Clubs

The Computer Science and Engineering Association (CSEA), and Computer Society of India (CSI), Annamalai Chapter promote the leadership and organisational skills of the students by conducting various academic events throughout the year. The activities range from hosting campus events and handling external resources, placements, alumni, sports, social service and cultural events and festivals. These club activities provide students with an opportunity to explore their interests and capabilities.

Extension Activities

The department has been involved in various extension activities. Computer training programme was conducted backward class/most backward class and denotified categories of students with the association of Govt. of Tamilnadu, Computer training programme was conducted to Headmasters of Higher Secondary Schools and free computer training programme was conducted to Tamilnadu Government in-service Police personnel. Computer Training for Tamil Nadu Judicial Academy – Cuddalore district judges and judicial officers from Chidambaram division was given by the department.

Department of Electronics & Communication Engineering

VISION

To provide innovative, creative and technically compliant Electronic and Communication Engineers for industry and society through excellence in technical education and research.

MISSION

To provide quality education in the field of Electronics and Communication Engineering through periodically updated curriculum, effective teaching learning process, best laboratory facilities and collaborative ventures with the industries. To inculcate innovative skills, research aptitude, team-work, ethical practices among students so as to meet expectations of the industry as well as society. To provide students with hands on training on latest technology with supporting software. To facilitate effective interactions among faculty and students, foster networking with alumni, industries and other reputed institutions.

ELECTRONICS AND COMMUNICATION ENGINEERING @ A LOOK

To promulgate/disseminate the significance of engineering aspects of communication engineering and its vitality to the society; the University offers ECE courses at bachelors level from the year 2003. Electronics and Communication Engineering, the combination of two major branches of engineering, Electronics and Communication Engineering, is one of the largest and fastest growing sectors of the present industry. The branch of engineering help us to see, hear and communicate over vast distances, supervise production and manufacturing processes and oversee installation and maintenance of computers, peripherals and components.

The department strews technology of wireless world to the students unremittingly with an aim to fledge them; to the land of challenging technology. An unprecedented growth took place for a decade time making the department turn into a full-fledged one offering PG course from 2014 and Ph.D. in ECE from 2017. The research domain envisages a diversified spectra of research like Imaging, Microwaves, Video Processing, Signal processing, Wireless Communication, Biomedical, Networking *etc.* The department encourages students by conducting Symposium, Conference, Workshop, *etc.* To foster the students; the department conducts sports, NSS, NCC, and Literary Activities throughout the year. Special attention to mold the student's career; by means of conducting aptitude test and training. Periodically, the students are taken to industrial visits like ISRO. The faculties of department instigate the students to achieve greater levels in career. The department bustles towards all innovative domain of communication engineering research. Conjointly research projects are also carried out in the department. Ever since the department blossomed to a separate department one minor project was carried out successfully (UGC sponsored project) with future plans to extend it to Major project.

Laboratory Facilities

In order to ensure high standards of education for its students, the department has constantly upgraded itself by adding well-equipped and fully furnished laboratories to supplement the theory courses. Laboratories like Communication Systems lab, Electronics Lab, Embedded Lab, Advanced Communication Lab, VLSI Lab, RF Lab, PC Interfacing & Simulation and Microwave Lab, have been upgraded with state-of-the-art equipments and software.

ECE SOCIETY

The society consists of faculty members in the department as well as students of the ECE branch. This serves as a forum for the students to interact with the real time industrial situations. Guest lectures and seminars are arranged regularly by this society and its members are greatly benefited. It encourages students to prove their worth through the annual technical and cultural event "SAECE".

CAREER FORECAST

A graduate in ECE can apply for the post of an engineer with the State Government, the Central Government and the Public Sector. Central services like Indian Engineering Service (IES), Oil and Natural Gas Corporation Limited (ONGC), Civil Aviation Department, Indian Telephone Industries, BSNL/ MTNL Indian Oil Corporation Ltd., HPCL / BPCL / IPCL, Bharat Electronics Limited, Indian Railways, ISRO, DRDO and the Defense Services offer exciting careers. Private sector opportunities exist in profusion, in the Semiconductor industry, Software industry including MNCs, Computer related fields and in the Telecom Sector including mobile computing, hardware and networking, VLSI design industry.
