ABOUT THE UNIVERSITY

Annamalai University, one of the largest unitary, teaching, and residential Universities in Southern Asia, was established and incorporated in the year 1929 as per the Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). Now, the Annamalai University Act, 1928 has been repealed and replaced by the Annamalai University Act 2013 (Tamil Nadu Act 20 of 2013). His Excellency the Governor of Tamil Nadu is the Chancellor of the University. ***The University is awarded 'A' Grade by NAAC in December 2014.***

The University is located at Annamalainagar, adjacent to Chidambaram town, the abode of Lord Nataraja, the Cosmic Dancer. The University, since its inception, has played a pivotal role in providing access to higher education to thousands of youth from economically and socially disadvantaged classes. In this respect, the University's service to the nation is tremendous. In past 88 years, the University has grown into a premier institution of higher learning and research. The sprawling and scenic campus, spread over an extensive area of about 800 acres has the Faculties of Arts, Science, Indian Languages, Engineering and Technology, Education, Fine Arts, Agriculture, Medicine, Dentistry and Marine Sciences.

All the ten faculties enjoy reputation across the globe for their distinguished record of effective teaching at the higher level, continuing research and develop human resources. Numerous infrastructure facilities have been created to cater to all the students enrolled in the various on-campus programmes. New laboratory facilities in terms of space and equipment have been provided to satiate the needs of the learners and researchers. Video conferencing, Edusat, campus wide network with 1750 access points, high tech class rooms are some of the facilities added.

The University Library, named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, serves as knowledge hub for the students and the staff. Quite a good number of journals can be accessed through the Infonet facility. Science Direct is subscribed through which 340 journals can be accessed.

The sports pavilion of the University, with an area of over 6.5 acres, houses facilities for sports and games. Tennis court complex, basketball complex, volleyball complex, athletic standard track, cricket field & nets, football field, hockey field and a wooden floored indoor stadium are a few worth mentioning.

1. FACULTY OF DENTISTRY

The RAJAH MUTHIAH DENTAL COLLEGE was established in the year 1980. The Rajah Muthiah Institute of Health Sciences building housing this Dental College was constructed at a cost of about ` 4 crores and was declared open on 28.4.1988 by His Excellency Shri R. Venkataraman the then President of India. It accommodates both the Dental College with the Dental Hospital and the Medical Wing. Two hostels each for men and women students, staff-quarters and other amenities have been provided in the campus. The institution celebrated its Silver Jubilee in Nov. 2005. As a self-supporting institution, it has to necessarily raise adequate resources through fees that represent the economic cost of dental education imparted to the students of the College.

Out-patient and in-patient facilities are provided including a modern and well equipped operation theatre. The post-graduate training has been specially planned with adequate infrastructure.

The Rajah Muthiah Dental College & Hospital has excellent infrastructural facilities reflecting the latest developments in Dentistry including an imported casting and ceramic laboratory. Recently, the Dental College has upgraded its infrastructure by adding the following facilities.

1. New block for specialities in Orthodontics and Periodontics.
2. Two well-equipped A/C Lecture Halls with a capacity for 250 persons.
3. R.V.G. System and Intra oral camera facilities.
4. Teseera ATL composite crown and bridge system.
5. Vector unit for periodontal treatment.
6. A complete VIP clinic with latest state-of-art Technologies.
7. Centrally Air conditioned Library with separate Post Graduate and staff sections.
8. A latest, fully equipped Mobile Dental Clinic with two Dental chairs for Rural Dental Camps and School Camps routinely conducted by the Division of Community Dentistry
9. **A full-fledged IMPLANT CLINIC** with a complete set of latest equipments and 3 internationally renowned Implant systems available for implant treatment.

The hospital is well equipped with sufficient number of state-of-the-art Dental chairs and other latest equipment enabling provision of modern dental care to a large number of patients from rural areas. The hospital also organises routine Dental Camps with a fully equipped mobile clinic in the surrounding villages.

The Faculty is self-sufficient with its own library which is located in the second floor of the college. The Library is centrally air conditioned with 3974 sq. feet space to accommodate 80 students. The Library is kept open from 9.00 am to 8.00 pm on all working days. Adequate fund is being allotted every year towards purchase of Medical & Dental books and also for journals as recommended by Dental Council of India. The Library provides access to Journals, National and International, Back Volumes and a commendable collection of text books and reference books.

The institution, recognized as one of the select Dental Colleges offering quality education, works with a singular mission for transforming itself into a Centre of Excellence.

A special feature of Rajah Muthiah Dental College & Hospital is that it is one of the very few Dental Colleges in India directly run by Universities. As a University Dental College with residential system, there are ample opportunities for healthy interaction and learning from multi-disciplinary facilities available in the campus of the Annamalai University.

The Post Graduate degree programmes in 8 different specialities are being offered presently and recognised by Dental Council of India.

The hostel mess, like all other mess in the University, is provided with a mineral water plant operating on reverse osmosis system to provide safe and clean drinking water to all the students. Besides, the hostels also have facility for providing cable/dish connection for those who are desirous of having access to entertainment. Further, arrangements are afoot to provide Wi-Fi connection to the hostel.

8. GENERAL NOTE TO APPLICANTS/SELECTED CANDIDATES OF ALL PROGRAMMES

1. The candidates are informed that Ragging in any form is totally banned/ prohibited and anyone found guilty of ragging and/or abetting ragging is liable to be punished appropriately. Attention of the candidates is invited to the Notification of the Regulations 2009 issued by the Medical Council of India in this regard. The students are required to give an undertaking at the time of admission.
2. In the case of students who have joined the programme of study but discontinued without attending class, the payment of fees for the remaining period of study will be waived, if the seats vacated by them are filled up in the same academic year. The fees already paid to the university will also be returned to such students. However, the Bond Breakage amount along with a service charge of Rupees Ten Thousand will have to be paid to the University by that students.
3. For the above category of students, if the seats vacated by them are not filled up in the same academic year, they have to pay the fees for the remaining period of study, apart from paying the Bond Breakage amount to University.
4. In the case of students who discontinue the programme after attending classes, the fees paid by them for the year will not be returned. If the seats vacated by them are filled up subsequently in the same academic year, they will be exempted from paying the fees for the remaining period of their study but, they would have to pay the Bond Breakage amount to the University.
5. For the above category of students mentioned in 4, if the seats vacated them are not filled up in the same academic year, they have to pay the full fee for the remaining period of their study, in addition to the Bond Breakage amount to University.
6. In the case of students who discontinue the programme of study in the middle of the programme in the subsequent years, the fee for the remaining period of the study have to be paid them in addition to the Bond Breakage amount to the University.

All the discontinuing students, in the 1st year have to deposit the entire fees for the remaining year of the programme of study with the University, and the money deposited will be returned to them only after filling up of the seats vacated by them.

7. i. Tuition fees for each academic year should be paid well before the due date, failing which a fine as prescribed by the University will be charged. The candidate shall not be permitted to appear for the University examination without clearing the tuition fees arrears.
 - ii. Tuition fees for the entire programme together with arrears, if any, shall be payable by the student before Transfer Certificate is issued.
8. Caution deposit shall be refunded after adjustment towards any dues from the student.
9. With regard to any dispute arising in relation to admission, examinations, remittance of fees, etc., the place of jurisdiction for the purpose of filing a suit or preferring a complaint or taking any legal proceedings against the Annamalai University, will be Chidambaram Town only.
10. No certificate will be issued, unless the candidate has cleared all the arrears of fees etc., due to the University.
11. All the candidates selected for the admission for the Annamalai University has to execute a bond as detailed in section 4 (page no. 3) of this prospectus in the format prescribed by the University before admission to Course Compulsorily. (Format is available on University Website / www.annamalaiuniversity.in).
