

## SPONSORSHIP CERTIFICATE

Mr./Ms./Dr.....

is an employee of our Organization/Institution and is hereby sponsored. He/She will be permitted to attend the programme in full, if selected.

Place:

Date:

Signature of the sponsoring authority  
Office Seal

### OBJECTIVE:

Student Project refers to the projects taken by students in their final year of their programme that is a partial requirement to complete their programme. With the vast developments in technology, this becomes highly novel and innovative nowadays. Though it seems to be very simple in first instance, it is a tedious and a painful task for any student to do in a perfect way and getting output in the form of publications in peer reviewed journals.

The topics for discussion in the proposed Workshop includes, but not limited to, the various schemes offered by many funding agencies like TNSCST that supports the participating students financially and academically. categories of student projects in Science & other areas and their general structure, the basic qualities of a thesis recognized by the Science bodies and the key ideas involved in thesis preparation. etc.

The proposed workshop aims to give a detailed outlook of these tasks in selection, implementation, completion of their projects and also introduces them the art of paper writing and Hands-on-training in very few application software that are commonly used in preparing student projects. This will make the participants to be familiar in preparing the standard format of their projects and general logic. As thesis preparation is a general competency needed by every researcher irrespective of their field of research, this workshop will provide creativity for the scholars of Science, Engineering, Agriculture and Medical faculties to devise their own projects in their respective studies.

### PROGRAMME STRUCTURE (DISCUSSIONS)

- Introduction and Purpose
- Student Project - Types & Basics
- Selection and Implementation
- Anatomy of thesis of student projects
- Funding Agencies for financial support
- Free & Paid Resources Available Online
- Most Famous Publishers & their Popular Tools
- e-Journals and Infonet/Infibnet Programmes

## Boarding and Lodging

Accommodation and boarding if required, will be provided in the University Campus on chargeable basis. Accommodation charges vary from Rs.200/-to Rs.800/-per day, depending on facilities..

### Course Fee and Registration

**Rs. 100/- for local students (without kit & lunch) and  
Rs. 500/- for ALL OTHERS (with kit & lunch)**

Registration fee in the form of DD or NEFT payable to **"The Registrar, Annamalai University"** at Chidambaram or Annamalainagar ICICI Bank, Account Number 621 201 156 619, **IFSC Code ICIC0006212**. A copy of the transaction details should accompany the application form.

### Target Groups

The workshop is designed for all academicians irrespective of their discipline. However the research scholars and the final year UG & PG students are especially encouraged to apply. Main theme of the workshop is to offer guidance for the participants in selection and implementation of simple projects.

### How to Apply

The applicants should send their applications and fee paid details in the specified format so as to reach the Convener on or before 18-08-2019. If selected, they should confirm their participation in time. About 60 participants will be selected on the basis of first come first serve.

### Scheduled Dates

Last date for receipt of Applications: (by post and email)	18-08-2019
Intimation of Selection:	19-08-2019
Confirmation by participants:	20-08-2018

### About the University

In the early 1920s Rajah Sir S.R.M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S.R.M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929).

One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 20th in India. In the Medical Category the ranking is 24th. "The Times Higher Education World University Ranking -2019" has ranked Annamalai University in 1000+ for Overall category.

"The CWTS Leiden Ranking 2018", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 20th based on the number of publications and 4th based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The MDRA - India Today Ranking" (2018) has ranked Annamalai University 13th among the best Government Universities in India. Among the top 197 ranked institutions for Higher Education in India the "SCImago Institutional Ranking (2018)" has ranked Annamalai University as 7th in Tamil Nadu and 32nd in India.

Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 Departments of Study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

### About the Department of Physics

The Department of Physics was started in the very beginning of start of Annamalai University. Physics acts the core of science, as most of the inventions are brought forth by it. Physics comprise of broad study of molecular structure and composition through spectroscopy research. Availability of Scanning Electron microscope, Atomic Force Microscope, Laser Scanning Confocal Microscope, Simultaneous Thermal Analyzer, Flow Cytometer, Inductively Coupled Plasma-Mass Spectrometer etc are boon for observing the specimens with accuracy. The Department of Physics extends the instrumentation facilities to other sister Departments and Universities. The Department of Physics has been sponsored with DST-FIST and is having many UGC funded Projects. The Department has awarded nearly 375 Ph.D and more than 2000 M.Phil. degrees. The teachers and scholars of the Department have published about 500 research articles in the last five years. The Alumni of Physics Department have positioned themselves in Atomic Research Centres.
