

About University: Annamalai University is one of the largest public residential Universities in South Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2019" by the MHRD has ranked the University in the band 101 – 150 in the Overall Category as well as the University Category. In the Pharmacy Category the ranking is 12th in India and in the Medical category the ranking is 25th in India. "The Times Higher Education World University Ranking - 2019" has ranked University in 1000+ for Overall category.

In the Subject category Ranking, 2019, the University is ranked in the band of 501-600 for Life Sciences and Pre-clinical, clinical & Health Subjects. 800+ in the Physical Sciences subject. "The QS World University Ranking - 2019" has ranked University in the band of 291 - 300 in Asia Ranking, 174 in the BRICS Ranking and 43 in India Ranking. "The CWTS Leiden Ranking 2018", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 20th based on the number of publications and 4th based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The MDRA - India Today Ranking" (2018) has ranked Annamalai University 13th among the best Government Universities in India.

"The SCImago Institutional Ranking" (2018) has ranked 7th in Tamil Nadu and 32nd among the top 197 ranked institutions for Higher Education in India.

About Department: Department of Pharmacy, established in 1982, is one of the pioneer Pharmaceutical Education and Research Centres in the country. Currently it offers the following programmes: Diploma in Pharmacy, Bachelor of Pharmacy (Regular and Lateral Entry), Master of Pharmacy (Industrial Pharmacy), Master of Pharmacy (Pharmaceutical Quality Assurance) and Master of Pharmacy (Pharmacology), Doctor of Pharmacy (Regular and Post Baccalaureate) and Ph.D. The programmes are approved by relevant statutory authorities. Department is ranked at 12th position among pharmacy institutions in the country and 2nd position in Tamil Nadu by National Institutional Ranking Framework (NIRF – 2019), MHRD, Government of India. The Department is well equipped with facilities for training and research activities. It is currently at UGC – SAP Phase – II and DST –FIST – Phase I Extension Levels for research and development.

About Programme:

The programme aims to provide widespread knowledge on recent advancement on research in different areas of Pharmaceutical Sciences. The programme intends to highlight on using of new developments and technical expertise in pharmaceutical sciences. As a part of acquiring the skills and qualification this faculty development program will help the pharmacy teaching staff to upgrade themselves and meet the demand of the ever rapidly expanding technocratic arena. Further the program will help the teachers to sharpen their technical skill and get up-to-date with recent technical modernisation relating to their area of interest as well as research area and to encourage the same in their routine teaching so that students become aware of the same.

This FDP aims to: (i) provide in-depth knowledge on NDDS and modern analytical techniques as well as instruments in the field of pharmaceutical sciences; (ii) know the students learning disabilities, classroom management, presentation and communication skills; (iii) inculcate active learning and effectiveness of teaching methodology in the faculties; (iv) educate on the recent advancements in the field of pharmacy practices and (v) provide an excellent platform for pharmacy teachers to understand about cutting-edge research and technologies within the area..

Course Content

- New Approaches in Novel Drug Delivery
- Biopharmaceutics in Regulatory Aspects
- Molecular & Screening Pharmacology
- Recent Advances in Toxicology
- Therapeutic Drug Monitoring & Clinical Trial
- Pharmacoepidemiology & Pharmacoeconomics
- Characterization of Natural Compounds
- Chiral Drug Synthesis & Separation
- Advanced Approaches in Synthesis of Drugs
- Research Methodology

Eligibility Criteria:

The teachers working in recognized professional colleges/ universities with an interest to improve their research capacity.

Resource Persons:

From various reputed institutions/ organizations and other research centres.

Registration Fee:

Rs. 1000/- as DD in favour of "The Registrar, Annamalai University" payable at Annamalai Nagar. The DD will be returned upon successful completion of the programme.
