**NATIONAL CONFERENCE ON
INTERDISCIPLINARY INTERACTION ON RECENT INNOVATIONS AND PROSPECTS OF
PHYTOPHARMACEUTICALS
(RIPP-2018)**

Dear Sir/Madam,

We take immense pleasure in announcing the National conference on "Interdisciplinary Interaction on recent innovations and prospects of phytopharmaceuticals" (RIPP-2018), which will be held on 26th and 27th of October, 2018 at the Department of Pharmacy, Annamalai University, Tamil Nadu, India. The key feature of this conference is to discuss and explore the preventive and novel therapeutic strategies to combat various diseases, including cancer, diabetes mellitus, cardiovascular diseases and neurodegenerative diseases by the active contribution of distinguished academicians, scientists, clinicians and research scholars. We assure that this national conference will serve as a wonderful platform to bring all the stakeholders together to talk about emerging trends and future prospects of phytonutrients or phytopharmaceuticals in the prevention and treatment of several diseases.

The conference mainly focuses on

- Recent trends in Phytopharmaceuticals.
- Phytopharmaceuticals and their health benefits.
- Recent innovations and prospects of phytopharmaceuticals in the prevention of human diseases.
- New drug development from plant sources.
- Standardization of phytopharmaceuticals.
- Biochemical, histological and molecular modeling approaches towards the drug development for human diseases.
- Modulating effect of phytopharmaceuticals on the status of reactive oxygen species and enzymatic and non-enzymatic antioxidants in human diseases.

The organizing committee is immensely pleased to invite you to participate and deliver a talk on your recent scientific innovations and prospects of phytopharmaceuticals in the prevention and treatment of several diseases. In addition to these, the organizing committee will be grateful if you could kindly forward and share this with your friends and colleagues and invite them to take part in the conference.

We will be extremely happy if you could accept our invitation and grace the conference with your presence which will motivate youngest budding scientists, scholars and students. We assure that this national conference would be a fantastic and memorable event. Once again we invite you to the temple city to deliver your valuable address at the National conference on "Interdisciplinary interaction on recent innovations and prospects of phytopharmaceuticals".

Your extensive support will surely make this conference a successful one.

Thank you,

With warm regards,

Dr. V. Parthasarathy PhD

About the University:

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi college, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 20th in India. In the Medical Category the ranking is 24th. "The Times Higher Education World University Ranking - 2018" has ranked Annamalai University in 801 - 1000 for Overall category and 401 - 500 for Life Sciences category. "The CWTS Leiden Ranking 2017", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 14th based on the number of publications and 3rd based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The Nielsen - India Today Ranking" (2017) has ranked Annamalai University 11th among the top 30 Universities in India. Among the top 100 institutions for Higher Education in India the "SCImago Institutional Ranking" has ranked Annamalai University as 4th in Tamil Nadu and 20th in India. Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous. .

About the Department:

Department of Pharmacy was established in 1982 and it is one of the pioneer pharmaceutical education and research centres of the country. Currently, the Department of Pharmacy offers several programmes such as, Diploma in Pharmacy, Bachelor of Pharmacy, Master of Pharmacy, Doctor of Pharmacy (Regular and Post Baccalaureate) and PhD. All the programmes are approved by relevant statutory bodies. The department is well-equipped with facilities for teaching, research, and training. Currently, the department is supported with UGC-SAP Phase-II and DST-FIST - Phase I extension for research and development activities. So far the department has mobilized a grant to the tune of around Rs. 4.5 crores including currently running projects of Rs. 2.0 crores. The Department is known for its professional development and extension activities for both academicians and professionals of Pharmacy.

Call for papers:

Research papers of original contribution are invited for oral presentation in the conference.

Paper submission:

Authors are invited to send the soft copy of their abstract of research work not exceeding 200 words in MS-word format. Soft copy should be sent to: vpripp18@gmail.com.
