

ANNAMALAI UNIVERSITY

Infrastructure at a Glance

Annamalai University's impressive infrastructure, comprising a blissful mix of Indo-British traditional and modern architectures and performance-centric and up-dated research equipment, is the testimony to its conscious efforts in Infra-cum-Supra-structure reinforcement to meet the ever-widening academic, research and development, and extension needs.

Administrative Block

The administrative block, housing all central offices strategically located with a total built-up area of 2,57,000 Sq. Ft., facilitates effective academic functioning.
