Research (ICSSR),
New Delhi**

Department of Political Science & Public Administration and Department of Library & Information Science, Annamalai University in collaboration with the Indian Council of Social Science Research, New Delhi is organizing a "Two Week Capacity Building Programme for Young Social Science Faculty" from 7th October to 18th November 2022. The course will give exposure to Young faculty members about various stages of research from identification of research problem, literature review, statistical software, journal identification (indexing and ranking), thesis writing and manuscript submission. The workshop predominantly follows the Research Methodology Syllabus designed by the ICSSR New Delhi.

The Objectives of the Programme

- To provide the necessary expertise for formulating a suitable research design, including literature review, gaps identification, defining research objectives, questions and hypothesis.
- To conceptualize the research concepts and writing good research proposals, incorporation of qualitative and quantitative research methods.
- To give Exposure to statistical software used for Reference Management and research publications.
- To Identify appropriate journals, knowledge about databases and indexing of journals, handling rejection, revision and editorial comments of manuscript, citation formats.

Annamalai University

Annamalai University, accredited with 'A+' Grade by NAAC in 2022, is one of India's largest public universities with 10 Faculties and 49 departments of study. Sprawling over 950 Acres of land, the University does yeoman service in taking education to the doorsteps of the people who are otherwise far from access to centres of higher learning.

Annamalai University is ranked 4th in Tamil Nadu and 20th among the top 100 institutions for Higher Education in India by "SCImago Institutional Ranking". Annamalai University is rated as the top Indian Institute in Pharmacology with the highest Subject area Publication Count in Pharmacology. The University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, the service of the university to the nation is tremendous.
