BOUT ANNAMALAI UNIVERSITY

Annamalai University with a sprawling campus of nearly 1000 acres is one of the largest residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study located at Chidambaram: The Abode of the Cosmic Dancer Lord Nataraja.

In the early 1920's, to serve the downtrodden and to promote Tamil Literature, Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College in a rural setup at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). Ever since its establishment, Annamalai University has played an incredible role in the lives of the people near and far. In 2013, the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), was passed and has come into force from September 25, 2013.

Annamalai University, a "university" in the true sense of the term, has been sustaining a unified ecosystem of education – by offering sundry programmes under one roof. Being a unitary, multi-faculty institution, Annamalai University has evolved as a time-tested system of administration to ensure the ceaseless transaction of teaching-learning, boundless expansion of research and innovation, and selfless extension of service to the society. Availability of ten diverse disciplines and 49 departments and of study along with sports pavilion, gymnasiums, libraries, yoga/meditation halls, ensures a fertile ground and favourable climate for learners to become all rounded and competent individuals rather than mere "programmed specialists" Annamalai University is accredited with 'A+' Grade by NAAC in 2022.

ABOUT MATHEMATICS DEPARTMENT

Mathematics being the mother of science, offers two PG courses and research programmes leading to M.Phil and Ph.D. The Department has been sponsored with UGC-SAP (44.25 lakhs), DST-FIST (5.66 lakhs) and NBHM (37.47 lakhs) grants. The degree holders of these courses are now working in reputed research institutes, companies and universities. The department has awarded 2 D.Sc's 238 Ph.D's and 455 M.Phil degrees. The faculty members have published 217 research papers in reputed journals. In addition to this, they have got 28.61 lakhs rupees from various funding agencies. The department also has computer centre and library thus forming the basis of splendid education.

Objectives of RTTAFTS-2023

The National Seminar on Recent Trends in Topological and Fuzzy Topological Spaces (**RTTAFTS-2023**) will be held in Department of Mathematics, Annamalai University, Annamalaiagar, Tamil Nadu during 27th October 2023. The seminar looks for significant contributions in all major fields of Pure and Applied Mathematics. It is a prestigious event organized with a motivation to provide an excellent platform for the leading academicians, researchers, industrial participants and budding students around the nation to share their research findings with renowned experts.
