ABOUT THE UNIVERSITY

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929).

One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category, the ranking is 20th in India. In the Medical Category, the ranking is 24th. "The Times Higher Education World University Ranking - 2019" has ranked Annamalai University in 1000+ for Overall category. "The CWTS Leiden Ranking 2018", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 20th based on the number of publications and 4th based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The MDRA - India Today Ranking" (2018) has ranked Annamalai University 13th among the best Government Universities in India. Among the top 197 ranked institutions for Higher Education in India the "SCImago Institutional Ranking (2018)" has ranked Annamalai University as 7th in Tamil Nadu and 32nd in India.

Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.
.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was established in the year 1984 to meet the demand for well-qualified computer professionals. It offers B.E (CSE) and M.E (CSE) that lead to highly rewarding careers. The department also offers the research degree Ph.D. in Computer Science and Engineering to fortify its research dimension. The various associations and clubs promote the leadership and organizational skills of the students by conducting various academic events throughout the year. Apart from academics, students also involve themselves in the activities that inculcate service and team spirit. The department library has more than 7500 books. In additional , it also had E-resources to access Journals / Magazines with Internet facilities. The department houses more than 400 high end computers to meet the requirements of various laboratories. The department has organized a international conference and several national conferences and workshops. The department had many research projects funded by AICTE, UGC, DST and TNSCST.

ABOUT THE STTP

The digitization poses different types of challenges in the modern world. The people need detailed understanding and knowledge of cybercrime and they need insight into psychological profiles and vulnerabilities of victims of the cybercrime. With this intend, the STTP has been planned to create awareness about the potential threats that are vulnerable to the society. Also this STTP will depict the impact of the cybercrime in ATM networking, Social networking and provide the precautions against the cyber crimes. This two week programme is proposed to be organized to benefit the academicians, researchers and scientists who wish to learn the Cyber Security for their future teaching and research activities.

STTP CONTENTS

- ❖ Introduction to Cyber Attacks
- ❖ Online Scams
- ❖ Cyber Crime in ATM Networking
- ❖ Threats in Social Networking
- ❖ Mobile Security
- ❖ Cyber Traps
- ❖ RFID Attack
- ❖ Malware
- ❖ Data Privacy

ELIGIBILITY

Faculty members from Engineering and Polytechnic Colleges / Technical Institutions / Universities working in the Departments of Computer Science and Engineering, Information Technology, Mechanical, Manufacturing, Civil, Civil & Structural, Electrical & Electronics, Electronics & Communication, Electronics & Instrumentation and Chemical Engineering are eligible.
